## Execution Quality

RBC Global Asset Management UK Limited ("GAM-UK") did not significantly deviate from the process described in its order execution policy for any asset class. There were no material deviations in 2018 from GAM-UK's stated order execution goals.

GAM-UK did not materially change its broker list in 2018 although a small number of brokers were added. GAM-UK does not have any close links, conflicts or common ownerships with respect to any execution venues and there are no specific arrangements with any execution venues regarding payments.

GAM-UK used two different third party TCA providers to assist with the evaluation of execution quality in 2018.
